PROPOSAL FOR PRESENTATION OR WORKSHOP***((min. 30 minutes input + creative group exchange, total duration: 60–90 minutes, adaptable for different settings, max. 1900 characters))**

Please include a brief description of a session you would like to contribute as part of the Summer School. This could be a short lecture, an interactive presentation, or a workshop format. It's important that your contribution connects to the theme "Small Acts, Big Impact" and can be flexibly adapted to different settings. Your session will last 60 to 90 minutes, with at least 30 minutes dedicated to content delivery, followed by interactive exchange (e.g. discussion, group tasks, creative activities). Since parts of the programme will take place outdoors - on the beach, at a café, or even while sailing - we're especially keen on formats that can flow with these unique settings.

(You have a maximum of 1,900 characters to outline your contribution. Please briefly describe both the topic and your initial ideas for the method or format you would like to use.)

SELF-REFLECTION ON MENTAL AND PHYSICAL RESILIENCE AND SPECIAL REQUIREMENTS*

Before completing your application, we ask you to consider whether you are mentally and physically prepared for the special demands of life on a ship. These include confined spaces, limited privacy, intense group experiences and a lack of opportunities for retreat. These experiences can challenge your mental and physical resilience.

In addition, we would like to inform you that due to limited space, gender-separated sleeping accommodations cannot be guaranteed aboard the ship. If you have specific needs - such as for religious or personal reasons - or require special accommodations, please inform the Foundation during the application process. We will assess the possibilities with care and respect, bearing in mind the limited space and resources available on the ship.

We urge you to take personal responsibility for honestly assessing your resilience and special needs. By ticking this box, you are confirming that you have considered these issues and that you will contact the Foundation in advance of any special needs or concerns.

I confirm that I have reflected on the requirements as well as any possible psychological, physical, and special needs and am able to handle them, or have already confidentially informed the Foundation about them in my application email.

ADDITIONAL DOCUMENTS TO BE SUBMITTED WITH THE APPLICATION*

Curriculum Vitae, (chronological, in bullet points, English), please make sure to list prior experience with civic engagement. Please note that incomplete applications cannot be considered.
